L. XXVI

SONOMA, SONOMA COUNTY, CAL., AUGUST 29, 1914.

NO. 7

RESULT OF TUESDAY'S PRIMARY ELECTION

Joe Ryan---Sonoma's Candidate for Sheriff, Makes a Remarkable Showing

Lea for District Attorney---Collins for Tax Collector---Pool for Auditor ---Elected at Primaries.

The Index-Tribune regrets its impossibility to give complete tabulated figures from all the leading towns in the county, but owing to the extreme length of time required to count the votes it has been impossible for any paper in the county to yet present this interesting and desired information to its readers. Next week we shall give these figures on county officials, despite the lateness of the hour, knowing that the voters of this valley are interested in knowing just how their favorite candidates run in other districts.

Especially is this true of our candidate for sheriff, Joseph F. Ryan, who made a remarkable showing, of which his friends throughout the valley are justly proud. Ryan, it must be remembered, had as his opponents some of the worthiest men in the county—men who have high standing and hosts of friends. Phillip Varner, for instance, who is a personal friend of the local editor of this paper, is a young man of the very highest integrity and pleasing personality. This is true of "Dude" Wiley, too, who is one of the fairest, squarest, best-liked men in the county. Like Phil Varner's, his personality was a strong vote winner. Both these candidates are successful business men and capable of making good in almost any capacity. Charles Matlock and "Mace" Tucker are also men of personal worth, whose friends supported them because of this fact.

Sheriff J. K. Smith had an unusual and distinct advantage over any other candidate in the field—that of extensive acquaintanceship throughout the county. Just bear this fact well in mind. Sheriff Smith has traversed this county from end to end for four successive campaigns, which has afforded him the opportunity of meeting not once but many times every voter in it. He has had the added advantage of eight years in office to increase acquaintanceship and friendships.

Our candidate, Joe Ryan, started out practically unknown, with only his record as a deputy sheriff in one of the smallest towns in the county to warrant his asking the support of the voters of this county. On his record solely he succeeded in making a record-breaking run. He beat the man who has served this great county for eight years in the county seat—in the sheriff's own home town, where he was best known. Santa Rosa treated our candidate in a way to win our lasting gratitude, and so did other sections, of which we'll speak later.

District Attorney Clarence Lea came out of the battle of ballots with colors flying—winning his splendid victory on his record.

Tax Collector Frank Collins scored a remarkable plurality, apparently having a small army of supporters everywhere.

Auditor Charles Pool was re-elected, after a close fight.

Of other county officials in November will be elected one or the other of the following-named gentlemen: Joseph P. Berry or J. C. Hoke Smith for assessor; James W. Ramage or L. V. H. Howell for treasurer; Dr. Frank H. Phillips or Daniel H. Lafferty for coroner; Thomas B. McNamara or Malcolm P. Youker for surveyor.

J. H. Murray was elected constable of this township, and the voters will elect in November between Judge James Campbell and Lester Small for justice of the peace.

Returns for county candidates in the Sonoma Valley were as follows:

WHAT OUR NEAR-BY

NEIGHBORS ARE DOING.

VINEBURG

Fred Batto transacted business in the metropolis on Wednesday.

George McGill transacted business in the Bay City, on Saturday last.

Harry Brandt, of Point Richmond, is the guest of his parents, Mr. and Mrs. A. Brandt.

Al Kerner is now engaged in building an extension to the brooder house on D. Collis' pretty yards near here.

A large number of San Franciscans spent the week end at A. W. Lehrke's Resort and all enjoyed a pleasant time.

R. W. Vernon, of this place, shipped, on Wednesday last, a fine Jersey bull calf, to his brother, T. Vernon, in Lake View, Oregon.

Fred Batto and E. E. Bennett motored to Petaluma on a business trip last Wednesday. They were accompanied by Misses Adele Andreux and Marguerite Carabal.

Mrs. Edward Geotze, after spending a two weeks' delightful visit at the New Vineburg Inn, returned to her San Francisco home on Monday last, well pleased with this portion of the Sonoma Valley.

A. W. Lehrke motored to the county seat on business, Monday and was accompanied by Mrs. Lehrke, Mr. and Mrs. Louis Klapperth and Frank Nolan. All speak well of the Rose City.

Mrs. August Figone and daughter, Norma, after a visit of several days here, Mr. and Mrs. John Batto, returned to her San Francisco home on Friday of last week.

Mrs. Charles Ganders and son, Albert, and Misses Tillie and Kate Clements, of San Francisco, were guests of Mr. and Mrs. Albert Groskopf, at "Whispering Pines," the week-end.

Miss Lena Banchemo, a well-known young lady of Santa Rosa, was the guest of her aunt, Mrs. John Batto, Friday of last week, and on Saturday, accompanied by Miss Mary Batto, departed on a visit to the bay cities.

It is with pleasure we note that our esteemed citizen, George Cassidy, has now recovered from his recent illness, and enjoyed an outing on Sunday last. "The wild west still lives," but keep away from Europe, George. Too much trouble at present, believe me.

Easy Jim:—One of our society men borrowed an automobile coat from a gentleman friend of mine and promised to return it, but he didn't—do you think that is fair? I don't. The society man should go to Martinez, and buy a coat on the installment plan. Terms, one dollar and twenty-five cents a month until paid. No "tightman" could object to that proposition. I wonder will he get me.

Yours as ever,
Elsie Elton.

The old saying is a true one. "In time of peace prepare for war." We think so, for A. W. Lehrke received, last week, a car load of cement and in case that the United States should become involved in the present crises he will build fortifications and defend peaceful Vineburg till the last minute.

The dog poisoner has appeared in this section of late and on Monday night a valuable dog, the property of Al Trautvetter, of the Hyde tract, was poisoned. Marshal Forni has the case under consideration.

EAST JIM.

Mr. and Mrs. Jas. Tate left Wednesday for a pleasure trip to the bay cities.

Mrs. Wan. Clements returned Sunday after a pleasant visit with San Rafael friends.

Mr. and Mrs. John Lawlor Jr. and little son of Petaluma motored through here Tuesday greeting their many friends.

Mrs. Fred. Helberg and daughter Miss Valeria, took a trip to the metropolis recently. The younger set will regret losing Valeria as in September she expects to enter the Hannemann Hospital in San Francisco to train for nursing.

On Saturday and Sunday last Mrs. E. Steadom had as her guests Mr. and Mrs. W. Jacobson of Glen Park.

Dick Watt of Riverbank farm paid a visit to San Francisco Saturday.

Hospitality is the key note at "Olinda" the home of Mr. and Mrs. A. F. Hopke this week a number of friends and relatives are being entertained.

H. H. Granice and a party of friends autoed through here on election day.

Genial Mont Akers our post master is just as genial as ever and can be found at the same old stand.

Mr. and Mrs. C. Landsborough of Sacramento motored down here and enjoyed a few days visit at the Arthur Landsborough home.

Joe Keiser made a business trip to Napa Monday.

Mrs. Manuel Sousa and little daughter of Oakland spent a few days at the home of her parents Mr. and Mrs. A. Silva.

HAPPY JACK.

HIGH SCHOOL NOTES

All of the boys are busy practicing for the track meet, which is to be held this Saturday at the Sonoma race track. Some good competition is promised and fast time expected from the preformers.

The events scheduled are: 100 yard dash, 220 yard dash, 44 yard dash, 880 yard run, high jump, broad jump, shot put and hammer throwing. The admission will be ten cents.

The cooking stoves have been set up and in a few days the girls will be preparing all sorts of good things. A banquet has been promised us, some time in the near future, by Miss Rowell the head of the department.

Last Friday their was a baseball game between the High School and the Grammar School. The former winning by a score of 10 to 2.

No class in Diabetics has been organized, but one is promised for the near future. This course is open to the women of the town and it is hoped that the housewives will take advantage of the this opportunity.

Last Friday afternoon one section of the summer cooking school gave a four course dinner at Mr. Rowell's home. The whole affair was managed by the girls and was a great success.

The auto bus was used for the first time Wednesday, to carry the pupils, living at a distance, to school. It seems quite popular and we hope that it will become a permanent feature in the school life.

Dr. and Mrs. Frederick Leix and little son have returned from their extended trip to Europe, arriving in this city, Monday evening, and are guests of Dr. and Mrs. Irving C. Gobar at the Sonoma Valley Sanitarium. The esteemed physicians are looking splendidly, and report having enjoyed immensely their tour abroad. Dr. Leix devoted much of his time to the study of medicine, acquiring a considerable amount of knowledge that will prove very helpful in the practice of his profession. Dr. and Mrs. Leix will take their departure for San Francisco next week, to locate permanently in one of the bay cities or Los Angeles.

The dancing party at which the members of St. Barbara's Guild entertained their friends, Friday night of last week, proved a most enjoyable event. About one hundred lovers of the mazy whirl were in attendance, and the favorite pastime was greatly enjoyed to the excellent music provided by the Pauli-Gottengberg Orchestra.

Six Per Cent Loans—Obtainable on farm, ranch and city property—to improve, purchase or remove incumbrance. Liberal options; five years before making payment on principal, etc. For the proposition address: Assets Department, J. Sunday last, a delegation of over one hundred members, including the grand officers, of the Independent Order of Redmen arrived here on the morning's train to institute a lodge in Sonoma, to be known as Sonoma Stamm, No. 293. This will be the first German lodge in this town, and every German of good character and health is eligible to membership. The following named gentlemen were elected officers of the new organization: T. Schaefer, district deputy; Carl A. Weissaar, first chief; A. W. Adler, second chief; B. Heuer, third chief; Carl Dresel, treasurer; Carl Baltenberger, secretary; Otto Schumann, priest. The next meeting of the lodge will be held Saturday night, September 12th, at eight o'clock, on which occasion a large class will be initiated. Regular meetings will be held every second and fourth Saturday nights at Castagnasso Hall, at eight o'clock.

The visiting grand officers and members of the Independent Order of Redmen were guests at Oak Grove, Sunday last, where they were entertained by Mr. Joseph P. Berry, 129

Saturday night of next week, at picturesque Agua Caliente, an entertainment and dance is to be given for the benefit of St. Francis' Catholic Church of Sonoma. This is one of the annual Sonoma Valley events most pleasantly looked forward to, and very properly so, as Mr. and Mrs. Theodor Richards have not in the past spared effort or expense in arranging for these affairs, and next week's will be no exception to the rule. Excellent talent has been secured for this occasion, and splendid music will be provided for dancing. Energetic Mrs. Richards, assisted by

her popular and capable daughter, Miss Millie, has the faculty of knowing how to pleasantly entertain, and as residents of the valley well understand the fact, a large crowd will assemble at the popular resort next Saturday night. The price of admission has been placed at the moderate sum of twenty-five cents.

Another of Sonoma's charming and popular daughters was led to the altar of Hymen, when Frank Kruger, of San Francisco, claimed as his bride, Miss Ruth Poppe of this city. The interesting event occurred in San Francisco, Thursday, and was attended only by the bride's mother, Mrs. Julius Poppe, and a few close friends. The bride was handsomely attired in a tailored suit of blue. After the solemnization of the nuptials, the wedding party enjoyed a sumptuous wedding feast after which the newly-wedded twain departed on a honeymoon trip. On their return, they will reside in the Bay City, where the groom is a prominent restaurant man. The bride, who is the daughter of our much respected residents, Mr. and Mrs. Julius Poppe, is one of the most attractive girls in the valley, of winsome personality, highly talented musically, and possessing a wide circle of friends. With these, the Index-Tribune unites in extending cordial congratulations to Mr. and Mrs. Kruger and wishing for them a union of happiness and harmony.

Wednesday evening of last week, at 8:30 o'clock, at the home of the bride's parents in San Francisco, Miss Nellie Leahy was given in marriage to Clarence K. Bush, Rev. Father Kennedy, of St. Paul's Church officiating. The bride was attended by her sister, Miss Irene Leahy, and the groom's brother, George T. Brush, officiated as best man. To the strains of the wedding march, rendered by the bride's sister, Mrs. Erhard Steiger, the bridal party took their stations beneath a bower of Cecil Bruner roses and smylax, where the bride was given away by her father. The bride was very lovely in a creation of pink silk crepe and shadow lace, studded in pearls. She is a charming and popular San Francisco girl, and has many friends in this valley, having frequently visited at the home of her sister, Mrs. Erhard Steiger, at Schellville. The groom is a well-known and worthy young business man of Berkeley. Mr. and Mrs. Brush departed on the Owl flyer, Wednesday night on a honeymoon trip to Southern California. Sonoma Valley friends unite with those in the bay cities in showering the happy couple with felicitations.

CHILDREN'S FAIR

The Agricultural and Industrial Exhibit which is now being held by the boys and girls of the Sonoma Valley public schools promises to be a creditable display, and a surprise to our people.

Friday morning, at 10:30 o'clock, Mrs. Robert P. Hill lectured on "The Function of the Farmers' Grange and the Junior Grange. What Has Been Accomplished by it in California and the East."

Friday afternoon, at two o'clock, Prof. O. J. Kern gave an illustrated lecture on "New Movements in School and Community Life."

Saturday, at 10:30 a. m., Prof. W. F. Oelsberg, Department of Agriculture, University of California, will lecture on "How the State College Can Help the Ranchers at Home."

Saturday, at 2:00 p. m., there will be races and athletic contest between the pupils of the different schools.

Bring the whole family and a picnic lunch.

General admission, ten cents.

ENTHUS

EFFORTS APPRECIATED

At a meeting of the Board of Trustees of the Sonoma Union High School, held 147 day of last week, the following resolution was unanimously passed: Resolved, that the Board of the Sonoma Valley High School greatly appreciate the efforts of the principal of the school, Prof. Maurice H. Rolfe, for his interest in Agriculture and Home Industries, and this opportunity to extend publicly our congratulations to the success of this first School Fair held in Sonoma.

AUTO SERVICE TO START NEXT WEEK

The Sonoma County Transportation Company, which was organized in Santa Rosa with a capital stock of fifty thousand dollars this past summer, is to begin operations next week. The plan of this company is to operate bus lines into different sections of the county, with headquarters at Santa Rosa. One line is to run from Santa Rosa to Sonoma; a second from Santa Rosa to Healdsburg; a third from Santa Rosa to Petaluma, and a fourth from Santa Rosa to Guerneville.

The board of directors of this corporation consists of Dr. C. N. Thomas, president and manager; J. Rinner, vice-president; Glen E. Murdoch, secretary and treasurer.

The prime mover of this movement is Dr. C. N. Thomas, who informs our paper that in the selection of the cars and the construction of the bodies they have had three points constantly in view. First, safety and durability. They have not spared money or time in getting conveyances so that their passengers may ride securely. He said: "When we carry precious lives we feel a greater responsibility than when we carry freight. We believe it is good business on our part to make the key-note of our system 'safety.'"

Secondly, in their plans they are considering the comfort and convenience of their patrons. The seats are to be of Spanish leather. Two large closed cars will have electric lights and electric fans. All seats are arranged so that all passengers will face the same way as the driver. An expert mechanical superintendent has been engaged who will critically examine each car daily. A vacuum cleaner will be utilized once a day in the cleaning of each car, and thus remove every particle of dust.

The third factor is the appearance of the cars in their outline. The large cars will carry twenty-two people each, while the four smaller open cars will have a seating capacity of eighteen passengers. They will not be marred with imperfect advertising. They have arranged to have attached two boxes, six inches deep by six inches wide, where folders or booklets may be placed.

In the selection of chauffeurs, the question of safety was first considered. Over fifty applications for such position have been received, and they are following the rules of the most progressive railroad companies, and will not employ men whose personal habits have a tendency to dull their keen perception. Neither will they employ men under the age of twenty-five, nor will they allow speeding. For their own safety it is proposed to carry both fire and liability insurance.

Whirlpool
SANITARY
DISHWASHER
SEE WHAT SCIENCE HAS DONE FOR ME
after 3000 years of kitchen drudgery. The much-needed rest of the Housewife has at last arrived. The invention of the
Whirlpool Sanitary Dish-Washer
saves health, time and nerves and preserves hands and complexion. At last
Woman's Emancipation
is here. A delight and an indispensable aid to those who have already used them. Just six minutes to clean, polish and dry the china, glassware and silver of a dinner for eight people.
No contact with hot water, steam or hot soapy suds. Self-cleaning, sanitary, no pump used. Small in size, easily lifted and carried. Strongly built of stamped metal.
Sent prepaid, returnable at our expense within ten days, if not exactly as represented.
It has a capacity sufficient to wash at one time all the dishes of the average family, yet so light and portable that it can be easily moved from place to place.
The movement of the handle forward and backward revolves the propeller in the bottom of the washer, which dashes the hot soapy water with a swirling effect around, through and over all the dishes, forcibly attacking them at all points, and cleaning them with absolute perfection on all sides. The dishes are completely washed in less than one minute's time and the washer works so easily that a child can operate it.
Turning down the small lever at the top of the washer, opens the drain valve and discharges the water in a few seconds. The dishes are then rinsed and sterilized by pouring a dipper of clear boiling water through the lid and turning the handle about thirty seconds. The rinsing operation automatically cleans the washer itself, which always remains in an absolutely sanitary condition.
Beautifully illustrated booklet showing every phase of the Whirlpool Sanitary Dishwasher sent on request.
Thousands are being sold by leading stores in Philadelphia, New York, Chicago, St. Louis and other large cities. The Whirlpool enjoys a monopoly of the market, and furnishes agents the best opportunities for quick money making available anywhere.
